

**Dying  
to Know ...**

# Festival of Events

*Dying to Know Festivals are the place to talk about death and the many decisions that are necessary in preparation. Hosted by a partnership of end-of-life professionals and local businesses and organizations, this festival provides a cutting-edge approach to facing the most difficult aspect of the human condition...dying.*

*With a combination of entertainment, education, discussions and tours,  
Dying to Know Festivals put the “fun” in funeral planning.*

*Every Detail Remembered™*
