**START A NEW HOLIDAY TRADITION.**

Thanksgiving is about enjoying time with family and friends and preparing a meal that brings everyone together. This year, our chefs will be baking traditional pies for your holiday table. Schedule your tour, let us know you'd like a pie, and we'll have it ready for you. While you're visiting, we'll fill you in on the events and activities we're planning for our community.

Please RSVP by November 15, to schedule your tour and order your pie! Call or email [sterlingmeadowsassistant@americanhouse.com](mailto:sterlingmeadowsassistant@americanhouse.com).
