

AMERICAN HOUSE

GIVING OUR THANKS... AND PIE!

Wednesday, November 22, 4:30 to 6PM

Dessert is the memory that lingers long after the turkey is gone. Come by for a tour and, as our gift, you can take home a pie for your Thanksgiving feast!

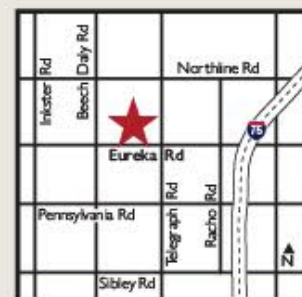

START A NEW HOLIDAY TRADITION.

Thanksgiving is about enjoying time with family and friends and preparing a meal that brings everyone together. This year, our chefs will be baking traditional pies for your holiday table. Schedule your tour, let us know you'd like a pie, and we'll have it ready for you. While you're visiting, we'll fill you in on the events and activities we're planning for our community.

Please RSVP by **November 20**, to schedule your tour and order your pie! Call or email southlandassistant@americanhouse.com.
