About Arden Courts ProMedica Memory Care

Staffed by specially trained caregivers, Arden Courts compassionately cares for individuals diagnosed with Alzheimer's disease and related dementias. Our communities are purpose-built and specialized for the unique needs of our residents. We offer personalized, therapeutic programs to serve early stage memory care through end-of-life care.

Call to schedule a complimentary assessment with our nurse. Assessment can be done in our community or from the comfort of your home. MEMORY CARE IS ALL WE DO.
