All are welcome to join us for this informational seminar presented by The Medical Team. There will be information on the various services that The Medical Team offers, such as home healthcare, physical therapy, occupational therapy, behavioral health, hospice and more. Free blood pressure checks will be offered, too. You will also have the chance to enter a raffle to win a blood pressure monitor and gift baskets. It will be a fun way to learn more about how The Medical Team can help you improve your health!

Please RSVP by October 22. We hope to see you there!
