We're celebrating Thanksgiving in style and want you to join us for our very own "Charcuterie Creations: Build Your Own Charcuterie Board" professional networking event!

THE ULTIMATE MEAT AND GREET!

You're invited to our Thanksgiving party with like-minded professionals to bring new possibilities to life. Design your own beautifully displayed charcuterie board while enjoying great conversation. While we're together, we'll let you in on all the events and activities we have planned for our beautiful community. We look forward to seeing you!
